

Phi Beta Kappa pays tribute to 47

A number of DHS students will be honored the Phi Beta Kappa awards next Thursday evening in the Ford auditorium.

Fourty-seven seniors with a 3.6 average or better were eligible to become members, and were given invitations to receive this award.

With registration still going on, more than 30 students have already signed up to attend this convocation.

The award is presented by the Association of Phi Beta Kappa of Detroit, consisting of those who graduated with a 3.6 or better from their college.

Robben W. Fleming, President of the University of Michigan, will be the speaker of the evening.

Music will be provided by the Wayne State University Concert Band under the direction of Mr. Harold Arnoldi.

THE DETROIT ASSOCIATION OF
PHI BETA KAPPA

presents the

TWENTY-THIRD ANNUAL
Presentation of Certificate
Awards and
Honors Convocation

**THURSDAY,
MAY 13, 1971**

**HENRY AND EISEL FORD
AUDITORIUM**

Jefferson at Woodward Avenue

THE MEANING OF PHI BETA KAPPA

In the same year that America declared her independence, 1776, a group of fifty students at the College of William and Mary, Williamsburg, Virginia, created the FIRST SECRET GREEK LETTER SOCIETY IN THE UNITED STATES, PHI BETA KAPPA. Its purpose was to promote friendship morality, and learning. PBK (Phi Beta Kappa) are the initials of a Greek motto meaning "Love of Wisdom the Guide of Life."

In 1779 the Society established chapters in Harvard and Yale Universities. These chapters helped to develop the general character of Phi Beta Kappa as it is today. Since then chapters have been established at many other leading universities and colleges in the United States.

There are five Chapters of Phi Beta Kappa in the State of Michigan. Alpha chapter at the University of Michigan, Beta chapter at Albion College, Gamma chapter at Wayne State University, Delta chapter at Kalamazoo College and a new chapter at Michigan State University. Few colleges meet the exacting requirements for establishing a new chapter.

For over fifty years the Society was secret, for men only, and mostly social in character. In 1831 the chapter at Harvard abandoned secrecy and gradually other chapters followed that example. However, it was not until more than fifty years later, in 1883, that all chapters abandoned secrecy. During this time, because of its high ideals and serious purpose, the character of Phi Beta Kappa gradually changed from a social fraternity to a purely scholastic honor society. Women were attending college in ever increasing numbers and because high scholarship and good character were the main requirements for election to Phi Beta Kappa,

the Vermont chapter felt justified in 1875 in electing to membership two well qualified women. Since then women have been elected to membership in the same terms as men.

Members of Phi Beta Kappa usually come from the upper tenth of a graduating class of a college or university. Members are permitted to wear an identifying honor badge, commonly called a key, because its stem was formerly used to wind a watch. The three stars on the key stand for Fraternity, Morality, and Learning and the index hand pointing upward to the stars is a symbol of aspiration.

After leaving college many members of Phi Beta Kappa like to associate together to promote the ideals of their Society. The Detroit Association of Phi Beta Kappa is one of these groups. It wishes to encourage high character and scholarship in the high schools of the Detroit area by giving qualified students a Certificate Award which recognizes the superior achievement of high school graduates. This is the only area-wide recognition given these students for their academic excellence.

Detroit Association of Phi Beta Kappa

High School graduation is only the beginning. The Detroit Association of Phi Beta Kappa have awarded you a certificate recognizing your scholastic achievement. It is our hope that your work in the college or university of your choice will enable you to achieve recognition by the Phi Beta Kappa Chapter and be elected to membership and wear the Phi Beta Kappa key as the symbol of your scholarship.

Charles E. Feinberg, President
Detroit Association, Phi Beta Kappa
1963-1969
